You need 2 square sheets of paper.  
A slightly thick paper is best.

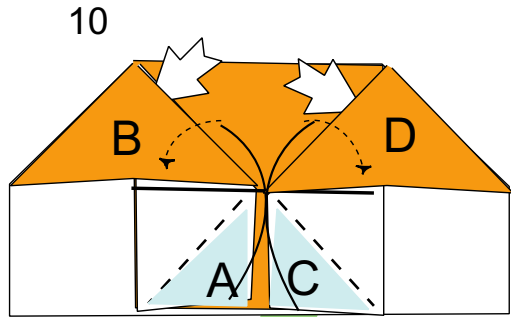

Fold firmly and unfold.

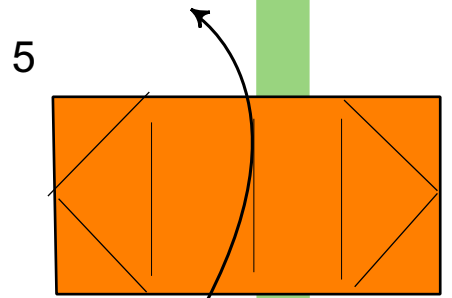

Fold firmly and unfold.

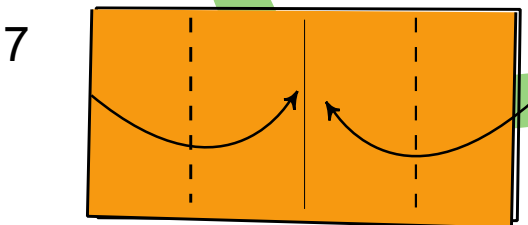

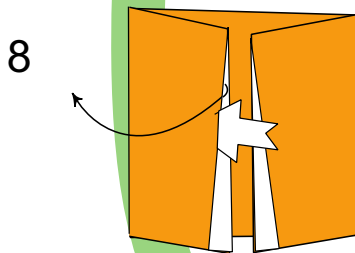

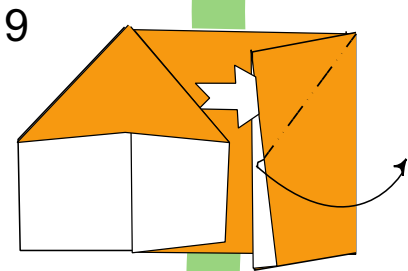

Fold firmly and unfold.

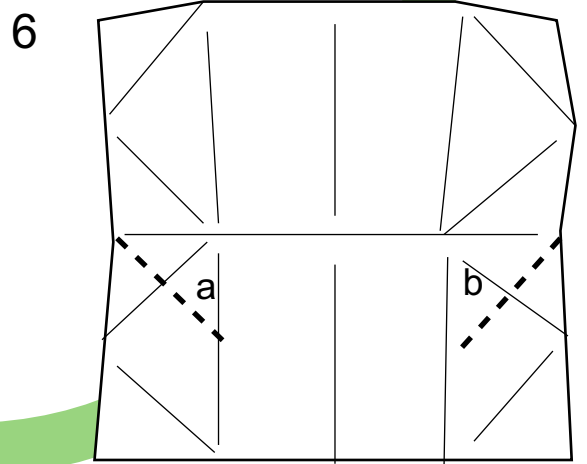

Lift up the center section.  
Insert A behind B.  
Insert C behind D.

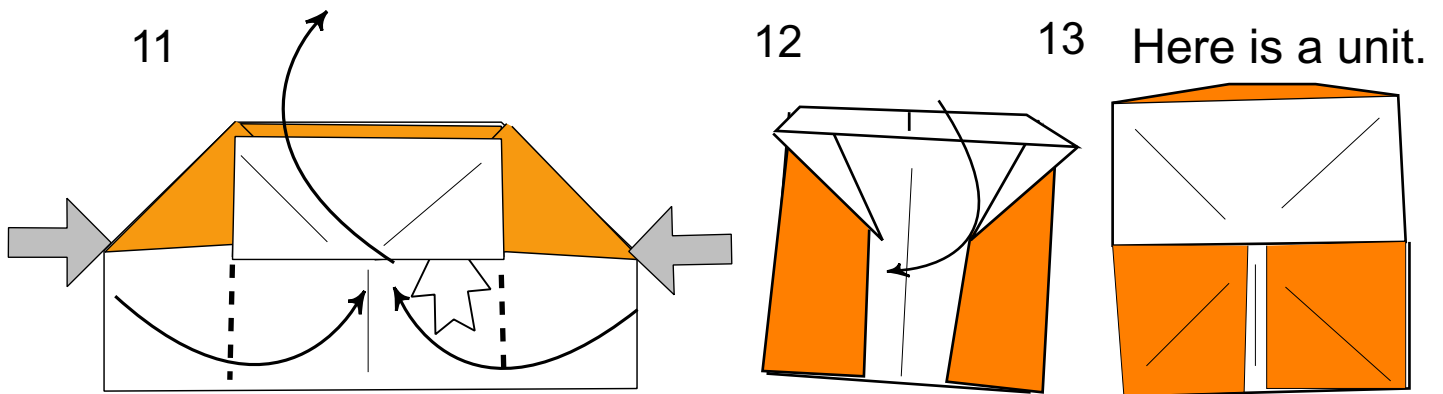

Unfold

Firmly fold lines a and b and unfold.  
This is very important.

# Unit brick

As you lift up the center section fold the sides in.  
The center section will collapse flat.

Make 2.
